Problems Identified:

- Two students were facing a severe problem with Auto wala while coming to the college near circle. Daily after college hours Auto wala gathered near the college gate and harassed our girls by commenting and teasing them.
- Three students were backlogged in their previous year papers. They were facing difficulty in understanding the regular notes because of their village background.

Solutions proposed:

- We warned them once, but harassments continued, finally we took this issue to WEC and also to our principal. Auto wala got severe punishment from authorities and now the college premise is under regular supervision.
- Additional study material with simple terminology is provided for them and encouraged them to successfully complete all their backlogs with regular classes.
