28	SSBN121673	M.KAVITHA	Y
29	SSBN101234	G.VARALAKSHMI	Y

Problems Identified:

- Some students were feeling shy to face group of students, so they were not participating in the seminars and group discussions.
- One student was depressed due to the harassment of outsiders while coming to the college.
- Three students were backlogged in their previous year papers. They were facing difficulty in understanding the regular notes because of their village background.
- One student was in attending classes regular and intelligent in the previous year. But she became irregular and backlogged in studies when she entered into final year. With the interaction, we identified that she was moving closely with a boy and that was the cause for her change.

Solutions proposed:

- Counseled those students how to cope with such type of problems and how to improve their body language so that they can participate in seminars and group discussion without any hesitation.
- Counseled her to tackle such type of problems by her own and provided an assistant for some days while going home.
- Additional study material with simple terminology is provided for them and encouraged them to successfully complete all their backlogs with regular classes.
- Counseled her and explained the problems she may face, if she proceeds in the wrong way. She realized and corrected her behavior and succeeded to put her in a right way.

Interaction & Mentoring Class

Name of the counselor: K. Devaki Mani

Class allotted: II M.P.Cs

Date: 19-06-2013

Topics of Mentoring:

- Motivating the students by giving the awareness of opportunities in the IT field.
- Discussing about the problems related to behavior of boys in the campus.
- Emotional distress (anxiety, stress, grief, depression)
- Advised to improve the confidence in attaining their goals.
- Advised to improve the communication skill so that they can feel comfortable while facing the real world.

30	SSBN131679	MALLAKALUVA SANDHYA	Y

Problems Identified:

- One intelligent student was facing a severe financial problem because of her father's alcoholic. She was not even able to bare her daily expenses like bus fare to come to college as her native is Pamidi which is near to Anantapuram.
- One student was absent for the practical classes for one month because of the illness of her mother.

Solutions proposed:

- We counseled her. Fortunately she had completed a beautician course in summer holidays. We collected funds from staff and students and gave her to establish a Beauty Parlour at home itself. Thereby she became a financial support to her family and continuing her studies without hurdles.
- Arranged special labs in the afternoons along with the students of other groups so that she can complete her lab work.

Interaction & Mentoring Class

Name of the counselor: K. Devaki Mani

Class allotted: I M.P.Cs

Date: 15-07-2013

Topics of Mentoring:

- Provide the knowledge regarding the maintenance of running notes i.e. noting the important points to prepare the full-fledged notes.
- Importance of class room behavior how it helps in future.
- Importance of lab attendance, practical exposure on the system.
- Providing the information about the availability of books in the department library and library.
- Discussing about the problems that may arise for girl students.

Problems Identified:

- One student was suffering with fits and she used to get attacks frequently in the labs.
- Some students were facing problems in understanding the subjects in their regular classes because they studied telugu medium in their previous courses.

Solutions proposed:

- The girl was taken to a doctor and provided a treatment, informed her parents and handover her to other students who come from the same village. Also called her parents and counseled them to provide proper treatment so that she can feel comfortable in attending college.
- Counseled them, guided them to move to English medium and asked them to attend remedial classes.
